Filing Schedule for Political Party Committees January through December 2024 State Primary and General Elections March 5 and November 5, 2024

Note: Political party committees must file pre-election statements in connection with any state election, including a state special election, if the committee receives contributions of \$1,000 or more, or makes contributions or independent expenditures of \$500 or more in connection with a state election. This may be true even if the committee does not make a payment in connection with the particular election by virtue of receiving contributions during the applicable reporting period.
